Before use:

0. Read anibal's instructions for keysigning. If you have questions, ask a human; gwolf, nicoo and dkg are happy to help.
1. Check that the hash matches your copy of ksp-dc16.txt
2. Check your key fingerprint(s) in ksp-dc16.txt
3. Add your name on top of the sheet.

When keysigning with somebody:

1. Check that you agree on the fingerprint (of ksp-dc16.txt)
2. Check their identity
3. Feel free to talk to them!
